ORDER

Before the court in the captioned action is a motion in limine for production of the administrative record. The motion is, in fact, a discovery request.

Plaintiffs should first seek discovery from Defendants and then, if it is not forthcoming, request a conference call with the court to resolve any discovery dispute. The court will then decide whether the non-performing party should be compelled to produce the requested discovery.

IT IS THEREFORE ORDERED THAT the motion in limine is **DENIED.**
